Recommendation of Suzette Brown

To whom it may concern,

As a member of our team, Suzette Brown has made tremendous contributions in her tenure at BBM&D. She was instrumental with a number of significant developments relative to problem-solving for processes and procedures. She has outstanding analytical skills, and has provided a high level of effective resolutions based on information provided or as she understands it. She is emphatically helpful.

Her production skills are excellent. She works well with software, learns quickly and adapts well to technological advancements. She is curious and interested in improving ways of doing things. Her technical mobility is excellent. She loves to puzzle out problems. She is outstanding at proofing, not only for typos, but she has the ability to perceive potential large picture problems and effectively offers solutions. She can handle comprehensive multi-piece projects with ease. Suzette can also effectively transition across multiple media, from web to print. She has worked effectively on publication design and production, ad design and production, branding development, web design and production.

Suzette has a strong commitment to a high level of quality in her work, has excellent follow-up, and has a great work ethic. She has tremendous potential as a designer and improved her design skills dramatically in the last few years. She has lots of great ideas and has done some terrific work while she was here.

We wish her the best of luck.

Sincerely,

Barbara Brown
